

BALFOUR BEATTY US MEDIA OVERVIEW

OUR COMPANY

With a legacy in the United States spanning over a century, Balfour Beatty is an industry-leading provider of general contracting, at-risk construction management and design-build services for public and private sector clients across the country. Performing heavy civil and vertical construction, the company is part of [Balfour Beatty plc](#) (LSE: BBY), a leading international infrastructure group that provides innovative and efficient infrastructure that underpins our daily lives, supports communities and enables economic growth.

Balfour Beatty has a passion for innovation that is fueled by a relentless curiosity, a drive and determination to leverage Lean construction practices, innovative technologies and efficient processes to deliver ever-increasing value for clients. More than ever, clients and trade partners turn to Balfour Beatty to find new, improved ways of delivering projects without sacrificing the commitment to safety, quality, time and the environment.

US REVENUE + EMPLOYEE COUNT

2018 Revenue \$4.4 Billion
US Employees 4,300

SECTORS + MARKET TYPE

CIVILS

As the nation's population grows and continues to drive urbanization trends, so does the need for reliable infrastructure. Within its focused civils business, Balfour Beatty delivers complex projects that expand the nation's transit, transportation and water infrastructure. Through a variety of delivery methods, Balfour Beatty works with public transit authorities, departments of transportation and local water departments to deliver capital improvement projects funded by the communities in which we live and work.

Markets served:

- Rail
- Highways & Bridges
- Water
- Alternative Delivery

BUILDINGS

Across the nation, we offer our clients a variety of services for projects at all ends of the size, value spectrum scale. Mega projects to smaller interior finish-outs or task order work, we bring the same level of expertise, professionalism, innovation and best-in-class procedures to ensure a successful outcome of your project.

Markets served:

- Civic
- Corporate Offices
- Criminal Justice
- Federal
- Green Building
- Healthcare
